Valid Court order/Conviction in the place of a defendant named who is not me; a description of a defendant that does not match my description or Identity; and a court order for "Judgement and Sentence" and "Warrant of Commitment" which are in violation of ARTICLE 4 SECTION 27 of The Washington State Constitution / WASHINGTON STATE CONSTITUTION and Thus Void and possess no "Authority of Law" to be enforced.

In addition, The DEPARTMENT OF CORRECTIONS for The STATE of Washington is holding me under several fraudulent identities that they generated none of which are my legal Identity which is the only Identity I can provide proof of citizenship for or The Identity of the one named in any Warrant of Commitment or Court order by which D.O.C. claims it is using to unlawfully confine, detain, kidnap, Imprison, Restrain me and more.

D.O.C. has gone out of its way to create a fraudulent BANK TRUST Account so that I could never provide a certified copy of A BANK TRUST Account to engage the courts stopping me from my right of Writ of Habeas Corpus, equal protection of The Law, not to be deprived of life, liberty, property without due process and more. As one false Identity is the same as All false Identities.

If The Courts will tolerate fraud. Then Any and every fraudulent false Identity must be accepted, which means that the effectiveness of The

Courts as an Institution no longer exist. There is no difference in one claiming (Melford John Warren, Jr.) between the false Identity of Junior Melford John Warren and/or Richard, Jr. (Reatura. OMNI Identity is Melford John Junior Warren. The

Bank TRUST Account is for a MELFORD JOHN WARREN. The Doc # is for a Melford J. WARREN and a MELFORD WARREN and more...

The Invalid and Fraudulent Court orders I never got served are for JUNIOR MELFORD JOHN WARREN

There is no difference in claiming one Fraudulent Identity such as JUNIOR MELFORD JOHN WARREN and all Fraudulent identities such as Richard, Jr.

- **Judge** J. Richard Creatura I have entered no petitions or motions into ANY Courts since being held by force and Fraud at the WASHINGTON STATE PENITENTIARY
- **Judge** J. Richard Creatura I was advised by one who is murdered And whose murder I would like to report. That I only have a Bond and Surety for the TRUSTEE MELFORD JOHN WARREN JR And that all legal interactions with the Courts must be done Through my legal TRUSTEE MELFORD JOHN WARREN JR who ~~is~~ Melford John Warren Jr am the Beneficiary of
- **Judge** J. Richard Creatura I cannot switch places with any other TRUSTEE. That would be Fraud and is unlawful. As ~~is~~ only have one TRUSTEE to my Estate which is worth Millions (Gens of...)
- **Judge** J. Richard Creatura I have not been convicted as the Beneficiary in any court in Washington State. My TRUSTEE has not been convicted of any debt (crime) in Washington State. I cannot switch places with, nor stand in the place of any TRUSTEE estate that is not legally mine. I cannot provide proof that I have any TRUSTEE Accept MELFORD JOHN WARREN JR
- **Judge** J. Richard Creatura it is unlawful and fraud for me to respond to the fraudulent TRUST Estates of
  - JUNIOR MELFORD JOHN WARREN (written MELFORD JOHN WARREN JR)
  - MELFORD JOHN WARREN (written WARREN, MELFORD JOHN)
  - MELFORD WARREN (written WARREN, MELFORD)
  - MELFORD JOHN JUNIOR WARREN (written WARREN, MELFORD JOHN JR.)
  - Melford J. WARREN (Trustee/Beneficiary written WARREN, Melford J.)
 None of These can ~~I~~ provide a Bond and Surety for, drivers license for, Social Security number for, vote under, provide proof of citizenship of...

• **Judge** J. Richard Creatura I am being held by force and fraud and I am being told that if I want relief from this fraud I must commit the act of fraud by engaging the courts under a fraudulent and false identity / TRUSTEE by which I have no Bond for the payment of any and all debt.

• **Judge** J. Richard Creatura it is the penological Institution that is <sup>holding me</sup> by force and fraud without any "Authority of Law" to do so. And without me owing any debt to be paid to the State of Washington or any Beneficiary. Thus, it is the penological Institution that has done what is unlawful. Any and all attempts to alert the public through a public Notice to the courts have been falsely entered by my Captors / Kidnappers as motions or petitions without my permission or approval or knowledge and against my will without my consent through absolute prejudice.

• **Judge** J. Richard Creatura I did not willingly come to any penological institution. I was forcibly taken against my will by Lat-Sap County Sheriff's (Lt. SAP and Sgt. Friskwater), and when I resisted and did not consent. A cut throat was the result.

• **Judge** J. Richard Creatura I was never convicted in any court nor was I ever served any court orders/documents. Nor did I (in court) do any pleas, etc... Nor did I attend or walk into the well of any court under a fraudulent TRUSTEE, nor did I consent to any jurisdiction / venue of any court under a fraudulent and false identity.

• **Judge** J. Richard Creatura by law my Birth Certificate Bond and/or proof of citizenship should force the penological Institution holding me to release me from its unlawful seizure and imprisonment without involvement from the courts unless they refuse to be lawful.

of any TRUSTEE outside of my legal TRUSTEE. I, The beneficiary

am not standing in the place of any TRUSTEE currently that is

• My ATTORNEY who was murdered told me not to attend Court

any more, my life depended on it. Then weeks later he

turned up dead after confessing to others he was being

and had knowledge about my Kidnapping from another State

and about implicating the U.S. GOVERNMENT in Criminal

- KITSAP COUNTY OFFICIALS / State of Washington for case # 1 of 30  
 15 - 1 - 005119-7. A U.S. GOVERNMENT OFFICIAL ASKED 2 of 30  
 A KITSAP COUNTY SHERIFF for his name to include in the report I filed. 3 of 30  
 after, I gave him the phone upon him asking who ~~is~~ was I talking to. 4 of 30  
 This establish that KITSAP COUNTY SHERIFFS were directly aware 5 of 30  
 of a case being pursued by the U.S. ~~GOVERNMENT~~ Government against 6 of 30  
 KITSAP COUNTY OFFICIALS / State of Washington days prior to 7 of 30  
 the murder of my attorney. who had knowledge of all aspects of 8 of 30  
 the illegal case against my TRUSTEE which had no "Authority of law" 9 of 30  
 to be pursued in the first place and were the fruits of ill gotten gain 10 of 30  
 and of a poisonous tree. 11 of 30  
 12 of 30
- Court documents state when I arrive in to the custody of Washington State that I am going to get murdered by any means available (even if it appears accidental or something to this effect). 13 of 30  
 I truly believe that if those documents were not in the courts then I would be dead instead of my ATTORNEY. 14 of 30  
 15 of 30
  - KITSAP SHERIFFS were bragging how they had a ceremonial fake trial for someone not me. to give MY ATTORNEY, his family/friends and the community some a christmas gift conviction so that they would not pursue a murder investigation. I sit in prison by the way of a huge media campaign to destroy my character so that no one investigate a murder which would reveal larger crimes against THE DEPARTMENT OF DEFENSE during wartime. (in addition documents were sent out and taken by KITSAP County SHERIFFS linking me to the  while the <sup>Electoral</sup> ~~presidential~~ race was still going). 16 of 30

Cruel and unusual punishment of me and Stop passively denying me legal access, access to the Courts, legal counsel access, Media access and more. Which is the only way I was finally given envelopes by which to attempt to contact the Court. Prior to that I was imprisoned with no way to access any Court or to respond to any Court even if they attempted to contact me (I have already been denied the right to appeal in all cases) I have no valid BANK TRUST by which to order intelligent envelopes which being in violation of federal law. I was told by Classification counselor Travis Matson that I can violate federal laws because this is the State of Washington. I told him that I cannot consent to fraud or I would be a party to fraud. Those who are a party to murder Judge J. Richard Creature have used tremendous personal and professional connections to enlist a army of people to commit unlawful acts against me. so that I can sit imprisoned and without any access to media. While a one sided media campaign on the internet constantly is feed to stop or hinder the reporting of a murder which can lead to much bigger Unlawful acts against the U.S. GOVERNMENT. I can only hope that our Fair lady Justice has not be raped and molested of all her Virtue.

Judge J. Richard Creature I cannot address you as the Beneficiary to your legal TRUSTEE because A.K.A J. RICHARD CREATURA is most likely not your legal TRUSTEE by which to engage the Courts through. But despite this point. I hope based on the foregoing that you will take the appropriate measures and steps to protect the the victim and not act against me the victim and innocent
